MISHKAN T'FILAH UPDATE

April 7, 2008

We are currently sold out of the first printing of *Mishkan T'filah* due to the overwhelmingly positive response to the new *siddur*. We are now into the second printing with Tri-Graphic Printing, LTD. of Ottawa, Ontario.

In March a contract was signed and the paper ordered, and we understand that the printer has begun to receive the paper. After receipt of the paper, the print house anticipates approximately eight to twelve weeks for production.

We encourage you to order the edition of your choice as soon as possible. An order form is available on our website at www.ccarnet.org. If you have any questions, please email us at ccarpres@ccarnet.org.

We will continue to update you regarding the production timeline.

Thank you.
