**CCAR CONVENTION SPONSORSHIPS 2026**

# **SUPPORT OUR RABBIS. STRENGTHEN OUR COMMUNITY.**

The **Central Conference of American Rabbis (CCAR)** is proud to host its **137th Annual Convention** in the **San Francisco Bay Area**, March 15–18, 2026. More than 450 Reform rabbis from across North America and beyond will gather for four days of learning, renewal, and connection.

This year's theme, "**Bridging Connections in a Time of Change**," speaks not only to the work rabbis do every day, but also to the shared values that bind our Jewish communities together. We are committed to making this powerful gathering accessible to every rabbi who wishes to attend—regardless of financial circumstances.

## **Why Sponsor?**

As an Individual Sponsor, your generosity **directly supports rabbis** who serve in under-resourced communities, work in chaplaincy or on college campuses, or are navigating professional transitions. Your gift helps ensure they can participate fully in this meaningful experience.

**Your sponsorship is a tangible way to say: We value you. We stand with you.**

**As a thank-you, you'll receive:**

- Recognition during a special All-Conference session attended by all participants
- Acknowledgment in printed and digital materials, including event signage
- Visibility in our email updates and event slide deck
