

## DEDICATION OPPORTUNITIES

The CCAR is seeking a total investment of \$8,000,000, which will enable us to move forward with this project: the new translation and commentary of the Torah in both print and digital editions, as well as the creation of educational materials. A complete budget is available on request.

Discrete dedication opportunities for key components of the project include:

### ETERNAL GIFTS

|                                     |                  |
